

## New Road Leading To Christ

From a childhood of abuse came loneliness, fears, and torments in my life. Then going through a nervous breakdown, an abusive marriage, and a desire no longer to live, one day miraculously it all began to change. Reading my testimony you too will come to realize that God not only protected me, but God Himself is now using my yesterdays for His Glory. God saved me to be here for each one of you. The spark of life that seemed to no longer be within me was still present, and burns more than ever brighter today. Never did I imagine after raising a family that God would so powerfully come into my life. It all began 1993 when He led me to Yugoslavia on a pilgrimage, then in 2003 He once again led my husband and myself to a Bible College in Colorado. Then upon graduation we were ordained as ministers of the Gospel of Jesus Christ. God had already let us know that we were to be founders of Message of the Cross Ministries, which today gives me more joy than I had ever hoped for in this life. Just as my earlier life began as a mighty disaster, this now new life in and through Jesus Christ has just the opposite effect and meaning! Traveling is one of my desires, and I patiently wait to see yet more of Gods creation and beauty for all of us. Without Jesus Christ I am weak; with Him I am strong. He is my all. Visions, Dreams, Signs, and Wonders! God began to show me things in the Supernatural realm almost twenty years ago; but until now He has never led me to talk about them. God has chosen this book for me to tell and reveal things that some of you may have never heard of before now. Through me God wants you to know more about Him while you are still on this earth. So as you read the words written in this book, you too will discover that there are deeper things about God then what we as humans may think there is sometimes!
