

Everyday Living from the Book of James

The book of James has been called at times The Proverbs of the New Testament because of its practical nature in how to do life with God. Do you ever struggle with things like trials and temptations, faith, favoritism, your tongue, pride, quarrels, slander, prayer and how to be patient in suffering? Then you've come to the right place! James confronts all these and more head on and in this power-packed letter to believers. Do you get tired and discouraged feeling that you will never live up to God's standards? Do you want to know God in a deeper more intimate way? Then this study is for you. Your perspective on God will be challenged along with what a relationship with God truly looks like focusing on being rather than doing. Acts 17:28 says, In Him we live and move and have our being. What does that really look like in our everyday lives? Are you ready to go deeper with God? Well, then, let's get started!
