

## New Girl on Salt Flat Road: a Lola Zola book (Lola Zola Books 2)

Eleven-year-old Lola Zola wants a bra, but her mother wont buy her one, reminding her that shes not quite ready. Ouch. But Lola isnt giving up shes even praying for her pancakes to become cupcakes. Her prayers go unanswered and Lola and her BFF, Melanie, are coming to the realization that theyll be the only girls at school without bras. Just when theyve become used to being called Flatty Patties, a new girl with a great figure moves in next door to Lola in the sleepy desert town of Mirage. Queen Pauline, as Lola and Melanie call her, hails from Malibu and lives tween life in the fast lane. She shoplifts, steals friends, and likes boys, boys, boys including Buck, Lolas secret crush from the lemonade war days. Before Lola knows it, Lola is also racing to womanhood, crashing into the law and making spectacle of her fugitive self.
