Having rescued Abbie from an abusive boyfriend and Lolly's questionable parenting, Catherine is sure her niece is on the road to recovery. But then Abbie disappears again. None of the kids have any clues to the troubled teens whereabouts until Abbie's best friend materializes out of thin air to lead the search. Catherine and her kids are picking up very weird vibes from Bethany, but out of desperation, they accept her help. Will Bethany save the day, or will she drag Catherine and her kids into an even more sinister situation? Catherine tackles sexual predators, absentee parents, and the World Wide Web in Bethany.
