

Love On Call

After defusing a rather volatile situation in the emergency room of the hospital where she works, Dr. Mallory Russell is pleasantly surprised when fellow physician Bradley Clayton takes a sudden interest in her. She is a little leery of his intentions, though, and refuses to believe that he sees her as a desirable woman, and not just as a fellow doctor. Known as the hospital recluse, Bradley doesn't have time for anyone, unless it's the children he is determined to save. When he sees Mallory in trouble, his shell is cracked, his interest is peaked, and he decides to take a chance on love.
