

Love Hurts

Can you ever really trust in love? Falling in love with your fiancée's best friend is downright wrong. Not in Shania Miller's case it isn't. The man she vowed to marry has a second fiancée and no longer remembers Shania after returning from Iraq. Now, unable to trust in love, she answers lonely hearts calls, saving up enough money to attend a university three hours away from the only home she's known. Broken-hearted, Shania and her son move to Briarwood, Indiana. Struggling financially, she wonders if her dream for a complete family - one with a mommy and a daddy for her son - will become a reality? Morgan Hardwick stood silently by as his friend broke Shania Miller's heart, but his caring heart refused to desert her when she was abandoned by her fiancée and family. Why then, did he hesitate when she announced her broken engagement and love for him on his wedding day? Explicit sex scenes and violence.
