But when his latest job requires him to gain the trust and get into the bed of his newest target, the sexy, fiery Colonel's daughter, he has a whole new challenge ahead of him. All evidence points to her being a traitor to the country he's sworn to protect, but the crackling desire between them is too strong a feeling to ignore *HIS TOO BAD TO RESIST* Zoe has always kept her secrets close to the vest. The only woman in a decorated military family, she's been taught that to let someone close is to flirt with disaster. But when the dangerously handsome, alpha-strong Mercer comes blazing into her life full-speed, it's all Zoe can do to resist his wicked seduction. As danger circles closer, Zoe must decide if she can trust him to protect her but there's no way he could be bad when he makes her feel this good
