

## Mama Rex & T: Homework Trouble

Beloved author Rachel Vail's newest series, about an earnest young dinosaur who tries as hard as he can, and his frazzled mother who always knows how to save the day. Mama Rex and T are two dinosaurs living in the city. T, a young dinosaur, is just like any other kid--he stays up late, he messes up his room, he gets in trouble, and he loves his mom. And Mama Rex is just like any other single working mom--she drinks lots of coffee, she's always running late, and she loves T more than anything else in the whole world. Now T has to make a diorama about pigs for school. But T doesn't know what a diorama is, and T doesn't know anything about pigs! Mama Rex and T have one night to pull this project together--can Mama Rex save T from diorama disaster?
