

Madam Dora DuFran - Cat House Queen Of Deadwood Gulch

As a young girl, Dora knew that she was extremely good looking. She became a prostitute when she was thirteen years old but she did not like the stress and other issues that came with the job. She wanted something better for her future so she quit prostitution and became a dance hall girl but soon realized that dancing could not provide the future she wanted either. At the age of fifteen, Dora promoted herself to the position of Madam, relocated to Deadwood Gulch in the Black Hills of South Dakota and went on to become one of the most successful Madams in the West.
