

## Oman and Its Renaissance: Jubilee Edition

Oman is a country no visitor forgets. Out of Oman's long heritage has grown a people of sophistication, grace, and confidence. They and their country, rich in its dramatic mountains and coasts, its terraced fields and pasturelands, and its sweeping deserts, cast an unending spell. In this famous book, reshaped and wholly revised to celebrate the twenty-fifth anniversary of Sultan Qaboos's rule, the present is described in the context of the past.
