

Think And Grow Dead (Monster Mates Unlimited Series Book 2)

Think And Grow Dead is from the Monster Mates Series that deals with Abuse and infidelity fiction stories. Subject Monster Mate: Michael Henson. After moving his business from his downtown office to his home, a prosperous architect, husband, and father struggle with holding at bay his internal demons. Michael Henson's noble purpose for gazing down the spectacular hillside of his California estate is to spark his creative juices. But, soon he faces up to why he moved his office to his home and it had everything to do with his beautiful Hawaiian neighbor, Linda Mahelona who works daily in her greenhouse? Will Michael Henson heed his internal warnings before it is too late and abandon the wicked plans jabbing needles inside his wandering feet--needles that may be too deep to remove?
