Welcome to the ninth volume of Frankie Leones Borough of Lost Boys series of flash creative nonfiction collections. In this place of bright lights and darkness a reader is spun a tale of damnation and redemption. Of glamour and depravity. Of love and hatred. Its a land where the wild sexy beast that is New York City caresses the soul and eats the flesh alive. Here we are grabbed by the collar and whispered to sweetly and growled to harshly. There are few stories like it. Allow yourself to be comforted and shocked, disgusted and seduced by this piece of a poetic prose series of glimpses into a truth, and a soul.
