

## Sashas Dad (Single Father)

Sasha Archer doesn't have a mother, but she's got one of the best dads around. Now she feels it's time he had a new woman in his life. And she's decided it should be Claire Renquist. She knows that Claire and her mom were best friends growing up but then something happened and Claire moved away from Dovetail, Maryland. She's finally come home, trying to make a go of it with her llama farm. So that means Claire needs Sasha's dad, Dutch who happens to be the local vet! But getting over the past seems to be hard for Claire and Dutch. Good thing they have Sasha to bring them together!
