

## Killer Plan (DI Geraldine Steel)

Carolines husband is killed, but she cant turn to the police without implicating herself in his murder. When one of her 10-year-old twins is kidnapped, the desperate mother is forced to resort to drastic measures to get him back. As time runs out, Geraldine realizes she has a secret that might just help solve the case, but the truth could destroy her career. Faced with the unenviable decision of protecting herself or the widow she barely knows, Geraldine must grapple with her conscience and do the right thing before the death count mounts any further.
