

Narcs And Wreckreation: The Unedited Version

Written in a stream of consciousness narration, NARCS AND WRECKREATION is the story of a man lost and without a cause, seeking an end to all ends. Living a life of solitude and silent reflection, the only thing that haunts him more than his past is his imagination. Unable to awaken from the nightmare of the American Dream and all its mundane insanity, drugs become his escape. But as his addiction grows, the downward spiral takes him on paradoxical journey where nothing is quite what it seems.
