

Narrow Escape

Oh, you live on a boat? That must be really cold in the winter... Or, Oh, you live on a boat? It must be great being so close to nature... Or, Oh, you live on a boat? It must be fantastic to be able to go wherever you like, whenever you like... Narrow Escape sets out to dispel these commonly held public myths. From how to avoid assassination by ninja stealth ducklings, through definitive proof that kittens are aliens and the best way to sleep at forty-five degrees, to the importance of having the right boating equipment; (a child's plastic sledge and a never ending supply of cotton wool balls). This month by month account of one family's liveaboard year takes a firmly tongue in cheek look at what it takes to enjoy the idyllic lifestyle.
