

The Forbidden Innocent (Mills & Boon Hardback Romance)

New bride at Blackwood Manor?

Having spent her childhood in care, Ashley Jones has no one. She desperately needs her new live-in job as an authors assistant. But she is filled with trepidation when she arrives at isolated Blackwood Manor and meets the formidable Jack Marchant.

Ashley thinks she is just a drab nobody but her heart goes out to anguished, tortured Jack. She has no idea what troubles him. But one day a private kiss becomes a passionate affair a affair that is as secret as it is forbidden. The Powerful and the Pure When Beauty tames the brooding Beasta
