

One Wicked Night

The boys are back in town Ten years ago, Kaelin Daume spent a steamy summer home from college secretly hanging out with town bad boy Tyler Wirth and his best friend Nick Kernsted. The connection was warm, complicated, and came to a crashing end when she walked in on her two forbidden friends with another woman. The shocking scene of sex and bondage has haunted her boring, oh-so-vanilla life ever since. The fallout from that night tore Tylers life apart. He left Mapleglen, disowned and disgraced, to build a successful advertising career and a unique relationship with Nick. Nothing could bring him back except his sisters wedding, and he plans to hightail it back to Chicago as soon as its over. At least one good thing hasnt changed: Kaelin is as sweet as ever. Except she doesnt seem too thrilled to hear it. As tensions run high, Kaelin cant resist the temptation to commit one crazy act of rebellion. Once the web of secrets, sins and lies starts to unravel, though, their lives will never be the same Warning: This book contains a nice girl who gets her naughty on with two hot men. M/M/F and M/M scenes may cause an increase in body temperature, pulse rate and respiration. Read with caution! For adult use only.
