

Oz, the Complete Collection Vol 2: Dorothy and the Wizard in Oz, The Road to Oz, The Emerald City of Oz, The Patchwork Girl of Oz

Oz, the Complete Collection Vol 2 4 Books
Dorothy and the Wizard in Oz (1908) Dorothy Gale is gladly joining her Uncle Henry in California to visit relatives who live at Hugsons Ranch, after their vacation from Australia in Ozma of Oz. Dorothy meets Hugsons nephew who is her second cousin, Zeb of Hugsons Ranch. Dorothy, Eureka (her cat) and Zeb are riding a buggy being pulled by a cab-horse named Jim when a violent earthquake hits and starts to open a crevice beneath them that sends them all hurtling deep into the chasm, being swallowed by the bowels of the Earth. The Road to Oz (1909) While Dorothy Gale is at home in Kansas one day, she and her pet dog Toto, meet the Shaggy Man who comes walking past the Gale farm. He is a friendly, yet slightly senile hobo with an optimistic, care free mentality. He politely asks Dorothy for directions to butterfield, which is the nearest town on the prairie. The girl agrees to show him the way, bringing her dog with her. Further on, the road splits into seven paths. They take the seventh one and soon find themselves lost in what appears to be another dimension. The trio meets Button-Bright, a cute and wealthy little boy in a sailors outfit who is always getting lost. Later, the companions encounter Polychrome, the beautiful and ethereal Daughter of the Rainbow who is stranded on earth. Polychrome explains that she accidentally fell off her fathers bow while dancing on it. The bow ascended into the atmosphere and back into the clouds before she was able to climb her way back on it, thus being left behind. The Emerald City of Oz (1910) At the beginning of this story, it is made quite clear that Dorothy Gale (the primary protagonist of many of the previous Oz books), is in the habit of freely speaking of her many adventures in the Land of Oz to her only living relatives, her Aunt Em and Uncle Henry. Neither of them believes a word of her stories, but

consider her a dreamer, as her dead mother had been. She is undeterred (unlike her alter ego in the film Return to Oz who is much perturbed by her guardians doubts.) The Patchwork Girl of Oz (1913) Ojo the very unlucky, is a young Munchkin boy who, devoted to life with his uncle Unc Nunkie in the wilderness but on the verge of starvation, goes to see a neighboring magician and old friend of Unc, Dr. Pipt. While there they see a demonstration of the Pipt-made Powder of Life, which animates any object it touches after saying the magic words. Unc Nunkie and Dr. Pipts wife are also the sufferers of the consequences of another of the Doctors inventions, the Liquid of Petrification, which turns them into solid marble statues.
