

Pablo, The Donkey Used By God (The Animals Used By God Book 5)

In both English and Spanish. Pablo is a young donkey that is dealing with a lot of bullies. The cows and goats boast about giving milk. The sheep brag about how their wool is used for beautiful clothes, and poke fun at Pablo who has matted fur. Even the chicken peck at his head saying he is useless. Until one day he is chosen to carry Jesus, the king of kings into the city of Jerusalem. God shows all the animals that he finds favor with the small and humble. Pablo learns that it is not what we look like but what is in our hearts.
