

Yo solo soy memoria Biografia visual de Elena Garro (Volume 1 of 2) (Coleccion Mas Alla) (Spanish Edition)

This is a literary and visual biography of one of Mexico's greatest authors, Elena Garro. It is amazing how many fine photographs were taken during the life of Elena Garro. They are artistically well done and beautiful photographs accompanied by a well-researched biography of her life with Helena Paz Garro and Octavio Paz. The great body of literature that Elena Garro produced is interlaced with biographical facts that produces an intriguing and informative compliment to a visually pleasing book.
