

## Pleasure Island

Chelsea Hunter didn't come to the resort looking for sex. Jake Davis intends to change her mind. Will they be able to turn up the heat, or will their visit to Pleasure Island leave them cold? After finalizing her divorce, Chelsea Hunter came to the resort island of Paradise for some peace and quiet so she could figure out what her next step would be. She hadn't expected to find herself at an exotic hotel dedicated to pleasures of the flesh. Too bad she doesn't want sex. Jake Davis is back in Paradise after visiting a year ago when his own marriage fell apart. This time his fantasy is to guide a woman through her sexual journey. He hadn't counted on being paired with the only woman in Paradise who prefers privacy over pleasure! Will Jake be able to discover what Chelsea truly needs, or will their journey to Paradise remain unfulfilled?
