

Portals of Destiny: Practical Counsel for Setting Your Life on Course

Every human being is born with a divinely implanted sense of purpose and cannot find fulfilment/lasting satisfaction outside that purpose. The height of success in life is to discover Gods specific plan for your life and to effectively live it out. No matter how much wealth, fame and earthly comfort you have, there is a deep sense of satisfaction that comes ONLY from being exactly who God has made you to be, doing what God has made you to do and knowing that you are in tune with the eternal Spirit. It is therefore important that we diligently search out what has been written concerning us in the realm of eternity and give expression to it in the realm of time. Gods original intention is to exercise His dominion on earth through us and He has not changed His mind. Thats why Jesus taught us to pray, Your kingdom come, Your will be done on earth as it is in heaven (Matthew 6:10). God wants to establish His kingdom on earth just as it is in heaven; and He has chosen to do it through us. Needless to say, this is a very big assignment that is beyond any single person. So, God in His infinite wisdom has apportioned varying portions of this eternal assignment to every human being in every age and time. This unique individual portion of eternity packaged in the capsule of time and assigned by God to every man, is what we have come to know as destiny. In a pragmatic approach and contemporary language, Portals of Destiny simplifies in a single piece, the wisdom of mans destiny which has been less taught over the ages. Use it as a mini-guide to strengthen and encourage you on your journey to destiny.
