

Slip Knot: Zac Tremble Investigates (Series One Case Seven)

In Slip Knot, Zac is back in the driving seat, following his dice with death. Paul is on the case of a suspected extra marital relationship but as always, nothing is as it appears. And that is certainly true when Joe dies and leaves Zac a file of papers which point to corruption and intrigue in which Zacs father may well have been implicated its all about having faith. Cindy moves in to the flat and Zac gives a home to Yoko, Lulu and Mary the menagerie only ever gets bigger! Slip Knot is the 7th Zac Tremble Case File in the series Zac Tremble Investigates; the case files of the gay, Soho-based PI Zachary Tremble. It follows on from, in order: Chrysalis, Metamorphosis, Transmutation, The Red Kimono, The Ephemeris Protocol and Delphes. There are twelve case files in series 1. And if you cant wait for the first twelve cases to appear individually, then Jurys Out is also available Jurys Out is the complete first series. I sincerely hope that you enjoy the story. Feedback is especially welcome, and Im thrilled with the feedback I have received so far, thank you! I would be delighted to hear from you. Please email me at: chambers.mars@gmail.com.
