

Pentecostal Psycho

When Walter Thomas accepted the invitation of his friend Brett Fisher to attend the services at a small oneness Pentecostal church he did not know what he was getting into. Something in the atmosphere of the cult-like church tapped into the darkest recesses of his soul, and he found himself changing and becoming enmeshed in events that ultimately led to a series of gruesome murders. In this fact-based fictionalized novel, Thomas Weston knocks the props out from under the false oneness Pentecostal religion and rips the cover off exposing the deception and hypocrisy that is at its core.
