

## Productivite morphologique et emprunt (Lingvistic? Investigationes Supplementa) (French Edition)

Le choix de decrire la derivation deverbale savante du francais moderne decoule de la consideration de quelques problemes poses par le systeme derivationnel du francais aussi bien que par la theorie de la morphologie. Dans le chapitre introducteur, l'auteur se penche sur les problemes particuliers poses par la derivation savante dans l'ensemble du systeme derivationnel du francais moderne. Le chapitre esquisse ensuite le cadre theorique dans lequel se situera cet examen. Le chapitre 3 sera consacre a une etude plus detaillee des caracteristiques qui distinguent le systeme derivationnel savant du francais moderne du systeme non savant. Les differents procedes savants productifs et improductifs sont examines dans les chapitres 4-7.
