

Miltons Prosody: An Examination of the Rules of the Blank Verse in Miltons Later Poems, With an Account of the Versification of Samson Agonistes, and General Notes (Classic Reprint)

Excerpt from Miltons Prosody: An Examination of the Rules of the Blank Verse in Miltons Later Poems, With an Account of the Versification of Samson Agonistes, and General Notes

But to have made the distinctions which I have purposely avoided would have implied a very different task from what I set myself, and one, which, had I been disposed to devote time to it, I could not have accomplished. Indeed, it was not until after I despaired of persuading others more competent than myself to execute the work, that I undertook what I have done. I have neither the faculty nor the habits which are the first requisites in one who would compile a grammar of any sort; nor is that kind of labour congenial to my taste: the evidences of which in this book, its inaccuracies and oversights, I preengage the reader to excuse. About the Publisher

Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
