

New Beginnings

John Stanton lost the love of his life to cancer. Even though he has tried to move on with his life and has remarried, he still misses his first wife, Jenny, and longs for her companionship. His marriage to Darlene is lacking true love, and will not survive because of the distance between them, both in body and soul. He longs for contentment in his life. John is convinced that he will never again find true love, but a chance meeting with a lovely and enchanting waitress named Wendy Burke changes his outlook. He is instantly drawn to her, and this attraction leads to a chain of events that transforms his life. As his life changes, the result impacts the lives of his beautiful and naive daughter, Maggie, and Wendys handsome and devil-may-care cousin, Michael.
