

Pretend Its Love (Behind the Bar)

One fake relationship shaken not stirred...Bar manager Paul Chapman is sick of his familys traditional ideals. Marriage, babies, and a white picket fence? Not his gig. But now that his golden child big brother is tying the knot, Pauls screwed. His ex will be there...and shes having his cousins baby. Unless he wants to show up to the wedding alone and face his familys scrutiny, he needs a girl on his arm. Now. Cocktail specialist Libby Harris has spent her life earning the nickname Little Miss Perfect, all to win the love of her wealthy, controlling father. But she deviated from his plan, and now her business is on shaky ground. If it fails, she might as well kiss his respect-and her dream-good-bye. Her only hope? Convince the hottest bar in town to take on her product. Luckily for her, the owners brother is sexy as sin and in need of a perfect girlfriend...
