

Les Miserables (Movie Tie-In): (Movie Tie-In)

Now a major motion picture, adapted from the acclaimed Broadway musical, starring Anne Hathaway, Hugh Jackman, Russell Crowe, Amanda Seyfried, and Sacha Baron Cohen Victor Hugo's tale of injustice, heroism and love follows the fortunes of Jean Valjean, an escaped convict determined to put his criminal past behind him. But his attempts to become a respected member of the community are constantly put under threat: by his own conscience, when, owing to a case of mistaken identity, another man is arrested in his place; and by the relentless investigations of the dogged policeman Javert. It is not simply for himself that Valjean must stay free, however, for he has sworn to protect the baby daughter of Fantine, driven to prostitution by poverty. A compelling and compassionate view of the victims of early nineteenth-century French society, Les Misérables is a novel on an epic scale, moving inexorably from the eve of the battle of Waterloo to the July Revolution of 1830. This striking edition features the widely celebrated and eminently readable translation by Norman Denny.
