

## House of Holes

Shandee finds a friendly arm at a granite quarry. Ned drops down a hole in a golf course. Luna meets a man made of light bulbs at a tanning parlor. So begins Nicholson Baker's fuse-blowing, sex-positive escapade, *House of Holes*. Baker, the bestselling author of *The Mezzanine*, *Vox*, and *The Fermata*, who writes like no one else in America (*Newsweek*), returns to erotic territory with a gleefully over-the-top novel set in a pleasure resort where normal rules don't apply. Visitors, pulled in via their drinking straws or the dryers in laundromats, can undergo crotch transfers. . . . make love to trees . . . visit the groanrooms and the twelve-screen Porndecahedron . . . or pussy-surf the White Lake. Its very expensive, of course, but there are work-study programs. In charge of day-to-day operations is Lila, a former hospital administrator whose breast milk has unusual regenerative properties. Brimful of good nature, wit, and surreal sexual vocabulary, *House of Holes* is a modern-day Hieronymus Boschian bacchanal that is sure to surprise, amuse, and arouse.
