

Vampire Claimed

Evan is a young man living in a small town with his grandmother. He helps pay the bills by working at a local grocery store, though he wishes for more in his life. Strangely, he's been having the same dream every night. It involves a mysterious, muscular vampire who commands Evan to do whatever he desires. Evan awakens from these dreams both terrified yet totally aroused. Stranger still, his dreams seem to become a reality as someone or something stalks him after work. When their paths cross, Evan finds out that the encounter is hotter and more dangerous than he could have ever dreamt. Warning: This book contains gay m/m romance, explicit and erotic scenes, bits of suspense and horror involving werewolf shifters and vampires.
