

Reasons for Hope

Before his death in 1991, Spanish literary giant Jose Luis Martin Descalzo was not only an award-winning novelist and playwright, but also a Catholic priest, theater director, and prolific spiritual writer. His work reveals at once a deep commitment and wry humor, a profound wrestling with Christian truth and a wonderfully humane and earthy spirituality. *Reasons for Hope* is filled with profound reflections including: *The Sacrament of the Smile*, *The Sin of Love*, *The Frenzy of Good* and more.
