

The Redemption Treasure

A legendary fortune buried in the dusts of the Holy Land for two millennia...a family secret beckoning from beyond the grave...a deranged fanatic who believes he is acting on orders from God...the threat of nuclear war hanging over the Middle East...and the desperate attempt of a young American to unravel the mystery of The Redemption Treasure. These are the elements that propel this heart pounding debut novel by Steve Bass. The fate of the world is at stake in this fast-paced thrill ride that surges across continents and ends with a stunning climax in the Judean desert. This is the race for the redemption treasure.
