

Pope Francis and the Joy of the Gospel: Rediscovering the Heart of a Disciple

The call of Christ to each of us is as heart-stopping as the moment captured by Caravaggio in his painting, *The Call of St. Matthew*. Jesus points, he invites-and Matthew the tax-collector must make a decision. The Lord does not disappoint those who take that risk and choose him, Pope Francis tells us in his Apostolic Exhortation, *The Joy of the Gospel*. Dr. Edward Sri, theologian, author, and speaker, unpacks *The Joy of the Gospel*, making it accessible and actionable. In these brief reflections, Sri explores Pope Francis' call to be missionary disciples-Christians who walk ever more closely in discipleship with the Lord and who have a profound sense of mission in the world. *Pope Francis and The Joy of the Gospel* helps people of all walks of life-diocesan leaders, parish staff and volunteers, families and laity-live out the Holy Fathers vision for the renewal of the Church and the New Evangelization. Great for use by individuals or groups, each chapter concludes with questions for reflection or discussion, moving readers into a renewed personal relationship with Christ and a deepened commitment to the Church's mission.
