

The Road to Echo Point

Vi Davis has places to go, people to meet and things to do. And the most important thing of all is getting a promotion. So she's not pleased when a little accident on the highway near Echo Point, Arizona, not exactly on the road to the big time, forces her to take time out of her schedule to care for an elderly stranger. How could Vi ever have guessed that staying with Daisy Smith and meeting her gorgeous son Ian is exactly the thing to do?
