

Romancing the Bookworm

Sometimes, even the best-laid plans can unravel. Its spring break, and Tamara Winters would rather stay on campus and read romance novels than flaunt her size-fourteen body on a beach. But her best friend, Ronni, has other ideas. Against her wishes, Tamara is whisked away to picturesque Maverick Bay, where shes wrangled into waiting tables with Ronni at the Shore Shack for its busy week leading to Mavericks Surf Invitational. There she meets fellow schoolmate Xavier Solomon, the Invitationals organizer and campus womanizer by reputation. From the moment Tamara sees him emerging from the waves like a hero in of one of her romance novels, all she wants to do is run away from the feelings he inspires in her. Little does she know Xavier has been watching her for weeks now. In fact, after failed attempts at asking her out on campus, hes concocted a crazy plan: fabricating romantic situations straight out of her favorite books. Xavier quickly realizes that if Tamara gets a whiff of his designs, he might as well spell CREEPER across his forehead. Yet as they grow closer, hes convinced its a risk worth taking. What he hasnt planned on, of course, is his drug-addicted, alcoholic stepbrother, who decides to join the fun and put a wrench in Xaviers scheme. Spring break is proving hotter than Tamara expected. Will her romance novels be able to compete?
