

Stirring Attraction: A Second Shot Novel

When Dominic Fairmore left Oregon to be all he could be as an Army Ranger, he always knew he'd come back to claim Lily Greene. But after six years away and three career-ending bullets, Dominic is battered, broken, and nobody's hero so he stays away. Until he learns Lily has been the victim of a seemingly random attack. Hell do anything to keep her safe . . . even go home. Lily is starting to find a life without Dominic when suddenly her wounded warrior is home and playing bodyguard though all she really wants is for him to take her. But she refuses to play the part of a damsel in distress, no matter how much she misses his tempting touch. Hell leave as soon as she's safe and Lily knows her heart will never heal. But as attraction stirs to so much more, danger closes in. With more than Lily's heart at stake, Dominic can no longer draw a line between protecting Lily and loving her . . .
