

Screams in the Dark: Rosie Gilmour 3

Crime reporter Rosie Gilmour has learned to be tough. The places shes been and the stories shes covered, shes had to be. Her experience stands her in good stead for a grisly new investigation: the body of a refugee in a Glasgow canal, missing limbs and vital organs. Hes not the first person to go missing - are there vigilantes at work or is there something far more sinister going on? Its up to Rosie to find out - but will what she discovers leave her with murder on her hands?
