

Seaside Beginnings

The moment she stepped out of the SUV, she took a deep, cleansing breath. A smile spread across her face as the smell of sea air filled her to the core. She followed Dan up on the porch, noticing the splintered boards and wicker furniture that was falling apart. Once she walked inside the front door, a feeling came over her and it wasn't a hot flash, it was the feeling of coming home. When Maddy loses her husband, she has to start her life over at 45. She decides to follow her dream of buying a Bed and Breakfast and quickly learns its more work than she thought. The infuriating contractor she hires to help out is stubborn and hard headed, and they quickly become best friends. But will Seaside Beginnings bring them closer or tear them apart?
