

ROMANCE: Stepbrothers Hidden Lust (Romance, Stepbrother Alpha Billionaire Twisted Taboo Bundle) (Contemporary New Adult and College Taboo Sagas Womens Fiction Short Stories Collection)

Catalina Franquiz is unsurprising when her heartless, gold digging mother marries John Chancey for his billions of dollars. Maybe now her mother will stop using her crushes as leverage to get her to help steal expensive baubles from department stores and the bedrooms of rich friends. Maybe now Catalina can live her life in peace. Maybe now she can be free to have a crush on that cute guy from her business class at the University without her mother needing to threaten to tell him about her criminal record if she doesnt play decoy. Dean Chancey avoids the spotlight as much as a billionaires son possibly can. Having his heart trashed once was enough to teach him that women who date rich men only care about the riches. Too bad his father doesnt seem to care. His new stepmother is as ruthless as they come, and her daughter is probably no better. He heard a rumor that she had a criminal record and had been kicked out of public school when she was ten. He certainly isnt going to go out of his way to make her feel welcome, unlike the beautiful woman from his business class he cant stop thinking about.
