

Snow Adrift (Las Vegas Mystery)

Former Las Vegas homicide detective Jim Snows luck has been going from bad to worse, spurred by a series of rash decisions and a quickly developing mid-life crisis. He quit the force a few years ago to play poker for a living and has been losing steadily for months. His money is running out?and so is his live-in girlfriend.After one of Snows poker buddies?a real estate investor and landlord who worked as a clown?is found shot to death in his home following their weekly game, Snow finds himself under suspicion by his former Metro Homicide partner, Marcia Stevens.At forty-four, Snow is in the worst mess of his life. Hes not sure what to do, who to turn to, or who to trust as he scrambles to stay one step ahead of an arrest warrant for first-degree murder.Smart and tightly plotted, Snow Adrift is the hardboiled origin story to Kuslers popular Las Vegas Mystery series.
