

## Social Problems

This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. Social Policy and Social Problems This authoritative and accessible text provides a contemporary introduction to social problems with a close look at social policies. Respected scholars William Kornblum and Joseph Julian introduce the major trends and future outlook for each social problem by looking at them from a global perspective and big picture view. Social policies devised to address social problems--and their consequences--are examined in depth by presenting the key research conducted to examine, explain and alleviate today's social problems.

Teaching & Learning Experience

**Personalize Learning** The new MySocLab delivers proven results in helping students succeed, provides engaging experiences that personalize learning, and comes from a trusted partner with educational expertise and a deep commitment to helping students and instructors achieve their goals.

**Improve Critical Thinking** Learning pedagogy and critical thinking explorations help develop deeper understanding of topics. **Engage Students** Controversies and their consequences are explored to place material in context of the world.
