

Stella Sky - Into the Labyrinth

When George Thistlebaum plunges into the blue icy depths of the dungeon labyrinth below Snowy Hall, he finds himself lost in a frozen maze that might just be the end of him. Meanwhile, somewhere upstairs, Stella Sky and Freddy the ferret are trying to get the whole shattered-magic-mirror confusion straightened out with the Ice Queen so they can skedaddle back to the cottage on Andersen Bay. But no ones going anywhere until they rescue George from the labyrinth, and to do that, Stella and Freddy are going to need a lot of heat. Stella Sky Into the Labyrinth is the final book in the five-book Stella Sky series, and the exciting conclusion to a summer adventure Stella and her friends will never forget.
