

Stoney Schnauzer, An Autobiography

The Life and Times of a Standard Schnauzer! This is the autobiography of Stoney, a Standard Schnauzer, written from his point of view. It contains many of the good and bad adventures that he has had in his life, along with many of his photos. Everything written is the truth because as you know, DOGS DO NOT LIE! Dogs are intelligent but only a Schnauzer could write a book. Standard Schnauzers are described as the dog with a human brain, this book is to demonstrate this as true. Since dogs can't type, Stoney had a ghost writer but the thoughts and opinions are his.
