

Foreign Affair

How quickly can someone fall in love? Niall OConnor is a hopeless romantic visiting the U.S. from Ireland when he sees the beautiful Kate Franklin at a bar. Kate is constantly pressured by her mother to marry any nice man she deems fit, against Kates wishes. But when Niall interrupts a date Kate is on going from bad to worse, he swoops in to save her. After getting to know each other all night, it is apparent that this one night is anything but and Niall suggests a quickie marriage to solve their problems. But will Kate finally believe in love and go along with it?
