Down The Rabbit Hole is one of the most distinct books and first memoir written by Holly Madison, where she describes her life with Hugh Hefner and his many bunny girlfriends in the famous Playboy Mansion. It is indeed a rabbit hole full of dreams and disappointments, starting from attending A-list celebrity parties to an unbearable strict rules, scheduled sex, and lots of battles and backstabbing. In Down The Rabbit Hole, Holly Madison gives us the chance to peek inside the Playboy house and over watch her struggles with ambition and loss of identity that even brought her to think of ending her life. However, she never stops here; she tries to find her way to the life she deserves. Down The Rabbit Hole is an insightful book full of secrets about the kind of life Hugh Hefner lived with Holly and other bunny girlfriends. It shows that fairy tales can turn to nightmares and unless you fight for your dreams, you might never get out. It is a brave memoir. It helps readers to learn more about the famous Playboy mansion and the backstage events that happen in the absence of Hugh Hefner. Down The Rabbit Hole celebrates self-empowerment and courage. The book performed at first time #1 on the New York Times Bestseller list. To boost yourself-empowerment and courage, you must read Down The Rabbit Hole.
