

## Ghosts and Monsters - Book 2

Ghosts and Monsters Book 2, (English), have you ever almost died but recall the moment you were saved? Have you ever been camping and seen things no one would ever believe? Has the phone rang but no one was there when you answered? Ghosts are the true immortals, and the dead grow more alive all the time. Wraiths have a greater vitality to-day than ever before. They are far more numerous than at any time in the past, and people are more interested in them. There are persons that claim to be acquainted with specific spirits, to speak with them, to carry on correspondence with them, and even some who insist that they are private secretaries to the dead. Others of us mortals, more reserved, are content to keep such distance as we may from even the shadow of a shade. But theres no getting away from ghosts nowadays, for even if you shut your eyes to them in actual life, you stumble over them in the books you read, you see them on the stage and on the screen, and you hear them on the lecture platform. Even a Lodge in any vast wilderness would have the company of spirits. Mans love for the supernatural, which is one of the most natural things about him, was never more marked than at present. You may go a-ghosting in any company to-day, and all aspects of literature, novels, short stories, poetry, and drama alike, reflect the shapeless spirit. The latest census of the haunting world shows a vast increase in population, which might be explained on various grounds. Have you ever looked out into the night and saw something, then that something looked back at you? In the dark of night we see many things, we hear even more and we wonder what is it about the darkness that brings out those souls to wander? \*Book Notes: I hold all copyrights for this unique book. \*The book has unique, hand-crafted additional content addressing historical references both fictional and accurate, providing new, hand

crafted content created by Lyle Doux, and Frederick Morris, and Spence Keegan, August 2013. \* This book is unique in that it is translated from English to French. Translation by Frederick Morris, Sept 2013, Provided individually. Many of the events in this book are real with many fictionalized, additional characters added, names and locations altered. The book has unique, hand-crafted additional content addressing the Gay Community, using Gay terminology, events, providing new, hand crafted gay romance content created by Frederick Morris and Spence Keegan, March 2012.
