

Surrender My Love

Patients are dying at Washington Memorial Hospital and no one knows why. Nurse Chloe Bennett is a dedicated healer. Her job means everything to her, and she needs it to support her family. When she finds herself in the middle of yet another Code Blue, she questions the unexplained deaths. Doctor Brad Markson is a world renowned cardiac surgeon. Brilliant, powerful, and sinfully sexy! He does not tolerate losing patients. When his patient mysteriously dies, he looks for answer. The two work together to unravel the sinister events surrounding the deaths at Washington Memorial Hospital, and soon find themselves fighting for their lives in this fast paced, erotic thriller. When Chloe becomes the center of suspicion, she is surprised to find she has an ally in the gorgeous Dr. Markson. Shy, sweet Chloe is unable to resist him with his sultry blue eyes and wickedly sexy smile. His passionate kisses ignite her body, and his mere touch induces shivering pleasure. She doesn't know if she's ready to give away her heart after her traumatic past, and Brad is battling career demons of his own. Can the two learn to trust each other? Will they live long enough to find love and happiness or will there be two more deaths?
