Now that Rainey's kids are in school full-time, she wants to get out of the stinking house. A problem starts when Rainey meets a lesbian at work and becomes obsessed with her. Rainey now fears that she may prefer girls, but heck, it could be just a fluke. So, Rainey asks Meg if she could test being with a woman...with her and prays that kissing a girl will gross her out. But once Rainey discovers the truth, she drops the bomb on her husband, and confesses her desires to her boss.
